Visit the [Amenities tab of our website](#) to see how to take advantage of these!

Friendly reminder of our **Policies & Procedures**

Checking In After Hours

If you arrive after we have closed, your key can be picked up from the wooden Condo box just to the left of the Lodge front doors. The code to access the box is **2020**. Please see us at the Front Desk by 11 AM the following business morning to complete the check-in process. Members or their spouses must check-in unless a guest has been pre-authorized (not available for Bonus Time reservations).

Pet Policy

No pets near condos unless it is a certified service animal that has been checked in at the Front Desk. Emotional Support Animals are considered pets. Fines will be enforced for pets seen in the condo, carport, or parking lot.

Winter Maintenance

To keep the pipes from freezing, our maintenance team asks that you please keep the downstairs faucets lightly dripping throughout your stay. This is especially important for those staying in our end units.

Parking

One vehicle may be parked at a condo carport. Parking at empty condos is not allowed. ATVs must be parked in the Short-Term cages by the sport courts or kept on a tagged trailer in the North of Condos parking lot.

Guest Policy

Guests must be accompanied by the member(s) while on private property. Access to private property including trails and the shooting range without the member is strictly forbidden and carries a \$500 fine.

ATVs, Trailers, & Storage

ATVs and trailers must be stickered or receive a guest tag to be operated on the property. This can be done by the member at the Front Desk during normal business hours. To use any of our storage areas, including the North of Condo parking lot, please pick up a parking tag and gate codes at the Front Desk.

Gate Codes

Only a member may pick up the gate codes at the Front Desk during business hours. A member ID or driver's license is required to be shown upon request. **This is strictly enforced.**

Shooting Range

Reservations may be made up to a week in advance. All shooters must sign a waiver at the Front Desk.

Lost and Found

Non-food items will be held at the Front Desk for up to 30 days. Electronic items are held for 90 days.

Sunday Assistance

If checking in or out on a Sunday, a sign will be posted on the Front Desk door with instructions. For other needs, please see our [website](#) or the poster on the display board by the Front Desk door for assistance.

Additional Questions

If you have any additional questions or concerns, there is further information at [this link](#). Our staff are always happy to help as well, so please feel free to call or stop by the Front Desk any time during our hours.

We are happy to have you and hope you enjoy your stay!
