

## Weddings at East Canyon Resort

Do you dream of a rustic wedding in the mountains? A destination wedding with little travel or cost? Your dreams can come true with a wedding at East Canyon Resort. Nestled in the mountains, less than an hour northeast of Salt Lake City, the Resort offers the venue of your dreams at a very reasonable price.

Our wedding package includes two nights of accommodations for the bride and groom in one of our deluxe condos. Our condos have a full kitchen, living room, 2 bedrooms, 2.5 bathrooms and can accommodate up to 8 people.

If the bride desires the company, there is plenty of room for the bridesmaids to spend the night and get ready with her the next day. Of course, the condo will be for just the bride and groom on the wedding night! Extra condos are available for an additional cost.

We have the perfect location to exchange vows, under a large wooden pergola by a picturesque waterfall. Trees behind the pergola somewhat conceal the rambling creek while mountains frame the background making this a romantic outdoor wedding site.

Following the ceremony, space is plentiful to celebrate with up to 200 guests on the back deck of the Lodge. It has café lighting on a wooden overhang with a large grass lawn next to it, reserved only for your use.

If you prefer an indoor ceremony, it can be held in the Resort Lodge. This romantic room has a cozy stone fireplace, wooden floors with a wall of windows framing the mountains. This space can also host up to 150 people for a reception.

Because your dreams are important to us, at East Canyon Resort we allow you the freedom to use your own vendors. If you want to serve alcohol at your reception, we allow that too. The special events staff at East Canyon Resort is happy to answer any questions and would invite you to tour the venue.
